Trip Itinerary

Day 1 : Fly from Pokhara to Annapurna Base Camp and back to Pokhara. - 1 hrs

We can go for the Annapurna Base Camp helicopter ride from either Kathmandu or Pokhara. The tour from Kathmandu will take about 2 hours including the 30-35 minutes ground time since Kathmandu is comparatively further away from the Annapurna Mountain. However, Pokhara is comparatively closer so its 1 and a half hours tour from Pokhara including the 30-35 mins ground time. we recommend from Pokhara to ABC heli ride is more comfortable and cheaper.

According to the forecast, our journey will be start very soon. And we break for 15 minnutes in ABC for hot drinks then back to Pokhara. and Transfer to Hotel
