- Front row seat to the stunning beauty of the Annapurna Region.
- Bird's eye view to the high valley of Manang.
- Witness the majestic panorama of the Annapurna and Nilgiri Himalayas.

Overview

In the high valley of Manang surrounded by the majestic Himalayas lies the Tilicho Lake, where we go on a scenic Tilicho Lake Helicopter Tour. Apart from being the highest lake in Nepal. It is also a holy site for Hindus. A great journey through the less explored region of Manang. Therefore, the

journey to Tilicho has been highly popular after in the recent years. In the snowy white crown of the Annapurna Himalayas, the icy blue waters of Tilicho form a perfect symphony of colors.

Once you arrive in Tilicho Lake and see what lays in front of you. Therefore, Then you will understand why so many walk. Through the great landscape to get here. However, the rough Himalayan pathways and high altitude means that not everyone can make it to the lake. Therefore, at Happyland, believe that the great beauty of Tilicho is for everyone to see. Our Tilicho Lake Helicopter Tour shortens and eases the journey. And takes you to the Tilicho Lake in a day.

Tilicho lake Heli Tour begins from Kathmandu. The helicopter takes off from the domestic terminal of Tribhuvan International Airport. It flies towards the Annapurna Circuit and lands at Tilicho Lake. Tilicho lake is also called as the “Kagbhusundi Saravor”. This lake isn’t popular only for its beauty, it carries religious importance as well. It is a holy lake and is one of the Hindu pilgrimages. After exploring around the Tilicho lake, the helicopter flies back to Kathmandu.

The cost for Tilicho lake Heli Tour from kathmandu as below.

\$ 4200 for 1 people private Heli charter.

\$ 1200 per person for 4 people group Pay together.

Trip Itinerary

Day 1 : Tilicho lake 4920m Heli tour - 3 hrs

- A one-stop journey, we begin our adventure taking off from Tribhuvan Airport, Kathmandu, heading towards Manang Valley. From the lush green hills surrounding Kathmandu Valley, we make our way north entering the treasure trove of natural beauty of the Annapurna Region. The snowcapped Himalayas slowly dominate the landscape and the true beauty of the region shines through. Flying over the Annapurna Himalayan Range, the journey slowly approaches to the patch of blue water amidst the white of snow and ice. Landing at Tilicho Lake. we spend some time here to enjoy the serene beauty of the lake and the surrounding mountains. Afterward, we once again head to the sky and fly back to Kathmandu.
